- Real-time 20-Second Auction Clock with Instant Bid Resets
- Central Cloud Supabase Persistence & 1080p Arena Projector Display

Tournament Budget & Points Architecture

Official Financial & Roster Rules for GBL Kovilpatti

Each official team is granted a total budget of 5,00,000 points. The system mathematically reserves funds to protect the integrity of the squad requirements and guarantee that every team can field a full roster.

BUDGET PARAMETER	VALUE	OPERATIONAL RULE
Total Team Purse	5,00,000 Points	Allocated to all 10 teams at auction start
Team Owner Reserved	30,000 Points	Automatically reserved upfront for Owner
Available Player Purse	4,70,000 Points	Usable funds to buy players in the auction
Total Roster Size	6 Members Total	Strictly 1 Team Owner + 5 Auctioned Players
Auctioned Player Slots	5 Players	Each team must acquire exactly 5 players
Reserve per Slot	30,000 Points	Guaranteed floor per remaining unfilled slot

DYNAMIC MAXIMUM LEGAL BID FORMULA

Max Legal Bid = Current Balance - ((Remaining Players to Buy - 1) × 30,000)

Enforced in real-time across the Admin Desk, Team Bidding Portal, and Projector to prevent bankruptcy.

Practical Bidding Scenarios:

Scenario A: Opening Bid of the Auction
Available Purse: 4,70,000 pts | 5 Players to buy
Reserve for remaining 4 players = 4 × 30,000 = 1,20,000 pts
-> Maximum Legal First Bid = 4,70,000 - 1,20,000 = 3,50,000 Points

Scenario B: Mid-Auction with 4 Players Remaining (Client Requirement Example)
Team purchases Open player for 1,50,000 pts -> Balance becomes 3,20,000 pts.
Remaining players to buy = 4 players.
Reserve for subsequent 3 players = 3 × 30,000 = 90,000 pts.
-> Maximum Legal Bid on Next Player = 3,20,000 - 90,000 = 2,30,000 Points

Scenario C: Bidding on the 5th (Final) Roster Spot
Remaining players to buy after this player = 0 -> Required Reserve = 0 pts.
-> The team can legally bid their entire remaining balance down to 0 Points.

Official Category Bidding Settings:

- 1. OPEN Category: Starting Bid 150,000 | Base Reserve 150,000 | Min Increment 10,000
 - 2. 35+ JUMBLED: Starting Bid 120,000 | Base Reserve 120,000 | Min Increment 10,000
 - 3. NON-MEDALLIST: Starting Bid 110,000 | Base Reserve 110,000 | Min Increment 10,000
- Plus 6 Additional Tournament Categories: 80+, Super Doubles, Combined Doubles, Future Stars, Challenges Doubles, Veterans Doubles.

2. Admin Console & Production Credentials

Secure Tournament Operations & Master Control

The Admin Portal is restricted to authorized tournament organizers. To protect tournament integrity, credentials are NOT displayed on any public-facing pages.

OFFICIAL PRODUCTION LOGIN CREDENTIALS

Master Administrator (Full Access):

Email: admin@gulfoil.com

Password: GBL2026@Admin!

Chief Auctioneer Desk (Bidding Operator Only):

Email: auction@gulfoil.com

Password: GBL2026@Auction!

Admin Portal Modules Guide:

Live Auctioneer Operator (/admin/auction)

Select candidates, start the 20s countdown clock, input quick bids (+10k, +20k, +50k), record SOLD / UNSOLD transitions, and trigger arena confetti.

Teams Management (/admin/teams)

View all 10 teams, monitor real-time wallet balances, edit owner and captain information, and upload official logos up to 10 MB.

Players Management (/admin/players)

Filter 69 real registered Kovilpatti players by Academy or Name. Edit age, academy, T-shirt sizes, and multi-category eligibility tags.

Central Cloud Database (/admin/settings)

Verify Supabase connection status. Use "Test Connection" to check database health and "Pull Fresh Data" to sync changes across any office computer or laptop.

Match Fixtures & Results (/admin/results)

Record set-by-set match results (Set 1, 2, 3) between teams. Automatically updates won/lost tallies, points, and score differential on the live Points Table.

3. Auction Day Live Operation Guide

Standard Operating Procedures for Stage & Teams

Stage 1: Connecting the Arena Projector (1080p)

1. Connect the stage laptop to the venue LED wall, projector, or TV via HDMI cable.
2. Open the URL: <http://localhost:5173/projector> (or your production web link /projector).
3. Press F11 on the keyboard to enter borderless Fullscreen mode.
4. The projector will spotlight the active player photo, 20s countdown ring, current bid, leading team, and bottom ticker.

Stage 2: Conducting the Live Bidding

1. The Auctioneer opens /admin/auction on the console laptop.
2. Click "Call Next Player" or click any player from the Queue tab.
3. Click the green "START CLOCK" button. The 20-second timer begins.
4. When a team raises their paddle or bids via mobile, click the quick bid button (+ ¹10k, + ¹20k, + ¹50k).
5. Every valid bid automatically resets the clock to 20 seconds.
6. At 5 seconds remaining, the clock flashes pulsing crimson with urgent chimes.
7. When time expires with a bid, the system automatically declares SOLD, deducts points, and triggers confetti!

Stage 3: Team Owner Mobile Bidding Console (/team-bid)

1. Team Owners open /team-bid on their smartphones or iPads at their team tables.
2. Select their official team name from the dropdown.
3. Team Owners see the active player, current high bidder, remaining purse, and big bid pads.
4. If a team tries to bid beyond their Max Legal Bid, the system blocks the bid to protect their squad.

4. Client Production Deployment Guide

The platform is built as an optimized static web application (``dist`` directory) and can be deployed in under 2 minutes.

Option A: One-Click Deploy to Vercel (Recommended)

1. Push the project code to your GitHub / GitLab account.
2. Log in to <https://vercel.com> and click "Add New Project".
3. Import your repository. Vercel will auto-detect Vite.
4. Under Environment Variables, add:
 - VITE_SUPABASE_URL = <https://rfonfqwpzfafrgkbbsuf.supabase.co>
 - VITE_SUPABASE_ANON_KEY = [Your Supabase Anon Key]
5. Click "Deploy". Your production URL will be live instantly!

Option B: Drag-and-Drop Deploy on Netlify

1. Open <https://app.netlify.com/drop> in your browser.
2. Drag the pre-built ``dist`` folder directly onto the upload area.
3. Your site is deployed immediately with global CDN performance.
